

With our Regular Season coming to an end, I want to express my pride of being a Manchester Hawk. Our boys and girls had a fantastic season, they accomplished so much in the AYF and AYC program. Our flag, Jr. MM and MM football players attended Flag & Mitey Mite Days and their seasons have been amazing this year. They have stepped it up and really learned the game of football. These little ones are the future of the Manchester Hawks program and I can't wait to see what they bring at an older level. Thank you to the coaches and parents for helping these boys succeed.

To the flag and MM Cheerleaders, you both attended your Competitions this year and stood out amazingly. Flag you were the best of the day, you did an amazing job on the mat, great job coaches for stepping it up and pushing the girls to their true potential. MM girls you went to Trenton for the first time and shined on the mat, we are all proud of you and how you performed, it is truly hard to get on that mat in that arena and perform a good routine. You definitely did just that.

Our 3 Competitive Football teams are all advancing to the playoffs, and are showing all of Jersey Shore what Manchester is truly made of.

JRPW, you have amazed all the fans on how determined you are to succeed. We are all so proud of you and we know that you will go a long way in the playoffs.

Pee Wee Football you have completely blown everyone away, being the underdog team (no players, to first year players) and you were able to clinch the JERSEY SHORE AYF DIVISION "B" SOUTH title. Congratulations, you absolutely deserve it. We are all behind you in your quest to conquer the playoffs and to reach the ultimate goal of a National game in Florida.

JR. Midget Football your season has been amazing and exciting, you have clinched the 2nd spot in your Division and are on your way to the playoffs. Your 2nd chance is here for your taking, you can finish your Manchester run with a conference title and a trip to nationals if you play as a team and remember the talent and heart that you boys have.

JRPW Cheer you made your mark on the JS mat and advanced to regions. We are all so proud of you. Go on that mat at regions and show them what Manchester is made of.

JR. Midget Cheer, you weren't so lucky at the JS Competition, however, being a part of AYC they have given all the teams that didn't make it to Regions a 2nd chance, so you will go there and show that you can compete with the best of the best. Go and show everyone what a Cinderella story you can be and go from the bottom to the top. You can do it.

I want to thank all the parents for their help this year, making this transition to AYF such a smooth one. You are the reason our program is so successful, the kids learn from you and as you can see they are fighters and are determined to make a mark on this world.

Coaches, you have all done an amazing job this year, without your knowledge and time that you give to the teams, they would not be successful. So give yourself a Hand, you definitely deserve it.

So in closing, our regular season is ending as of Sunday, but a new exciting playoff season is 1 week away. Come out and support the kids in their quest for success.

Thank you,
Renee
